 Date(s) when course measured: 11/21/2019, 11/22/2019
 Number of measurements of entire course: 2 Course Configuration: loop
 Elevation (meters above sea level) Start 30m Finish 29m Lowest 22m Highest 36m
 Straight line distance between start and finish 542m Drop 0.02 m/km Separation 1.28 %
 Type of surface: Paved 100 % Dirt 0 % Gravel 0 % Grass 0 % Track 0 %
 Effective date of certification: December 31, 2019 Certification code: FL20001JK

Note to Race Director: Use this Certification Code
in all public announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course --- In the event a National Open Record is set on the course, or at the discretion of USA Track & Field, a verification measurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 of the year: **2030**

AS NATIONALLY CERTIFIED BY:

Date: January 8, 2020
