Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course --- In the event a National Open Record is set on the course, or at the discretion of USA Track & Field, a verification measurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 of the year: ***2034***

Bergen to Back Bay Marathon 2024 - Mile and Kilometer Landmarks

All landmarks described from the runner's perspective as the course is run. Clockwise direction on loop.

START
On Saddle River Pathway, 216' 1" after/west of the wooden 0.4 and 5.6 mile marker on the left next to the green trash barrel. Point is also in line with a white backyard fence far off on the left between the beige houses.
40.906194, -74.084861

HALF MARATHON (21.0975KM)
On Saddle River Pathway, 48' 1" after/south of south-most edge of concrete base for the "Suniko Hendrickson" park bench on the right. Point is just past the tennis courts and swim club on the far left and adjacent to the northern end of the parking area on the left.
40.902194, -74.080611

NOTE: Because the main loop is just under 2 miles, every other mile mark can be found by measuring 171' 3" backward (counterclockwise on loop) from the landmarks below.

For example, 24M is 171' 3" before (counterclockwise from) 26M; 22M is 171' 3" before 24M; and so on with all even miles.

Similarly, 23M is 171' 3" before (counterclockwise from) M25; 21M is 171' 3" before 23M; and so on with all odd miles.

23M
On Saddle River Pathway just after the parking area on the left, 111' before/north of the 15mph/"No Parking on Roadway" sign on the far left side of the roadway. Also next to the southmost tree on the right in the triangle of three trees enveloping the path (two on right, one on left).
40.901194, -74.080722

24M
On Saddle River Pathway just before Vander Sande baseball field on the left, 171' 3" before/south of M26.
40.910306, -74.089972

25M
On Saddle River Pathway after the parking area on the left, 60' 8" after/south of the 15mph/"No Parking on Roadway" sign on the far left side of the roadway.
40.900722, -74.080806

26M
On Saddle River Pathway adjacent to Vander Sande baseball field and just before the right turn onto the bridge, 54' 3" before/south of the southmost concrete edge of the bridge, as measured walking south from the concrete edge along the curve onto the bike path.
40.910694, -74.090333

FINISH (42.195KM)
On Saddle River County Park Road, even with the west-most edge of the concrete base for the "Marjorie Montagna" park bench. There is a large pavilion directly behind this park bench.
40.909000, -74.087833
