Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course --- In the event a National Open Record is set on the course, or at the discretion of USA Track & Field, a verification measurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 of the year: **2034**

The course is a simple out and back mostly along South Flagler Dr and the walkway along the west side of the Intracoastal Waterway. COURSE IS MEASURED AS SHORTEST POSSIBLE ROUTE. Runners have full use of the northbound lanes of N and S Flagler Dr.

Starting on 4th St, run east 100 yards to N Flagler Dr and turn right into the northbound traffic lanes guided by the double yellow lines of the turning lane. Run south on the shortest possible route keeping in the north bound lanes. North of the Royal Park Bridge, turn left onto the walkway and run under the bridge, emerging on the south side of the bridge. Continue along the walkway another quarter mile to the south driveway of 1100 S Flagler Dr and re-enter S Flagler Dr. Continue south to the turn around across from the south driveway of 1801 S Flagler Dr. Staying on the road, run north to the north driveway of 1100 S Flagler Dr and re-enter the walkway to go under Royal Park Bridge. Exit the walkway immediately as it intersects with S Flagler Dr and continue north on the road using the shortest possible route through the S turns. Pass the 3-mile mark and turn left onto 4th St and finish.

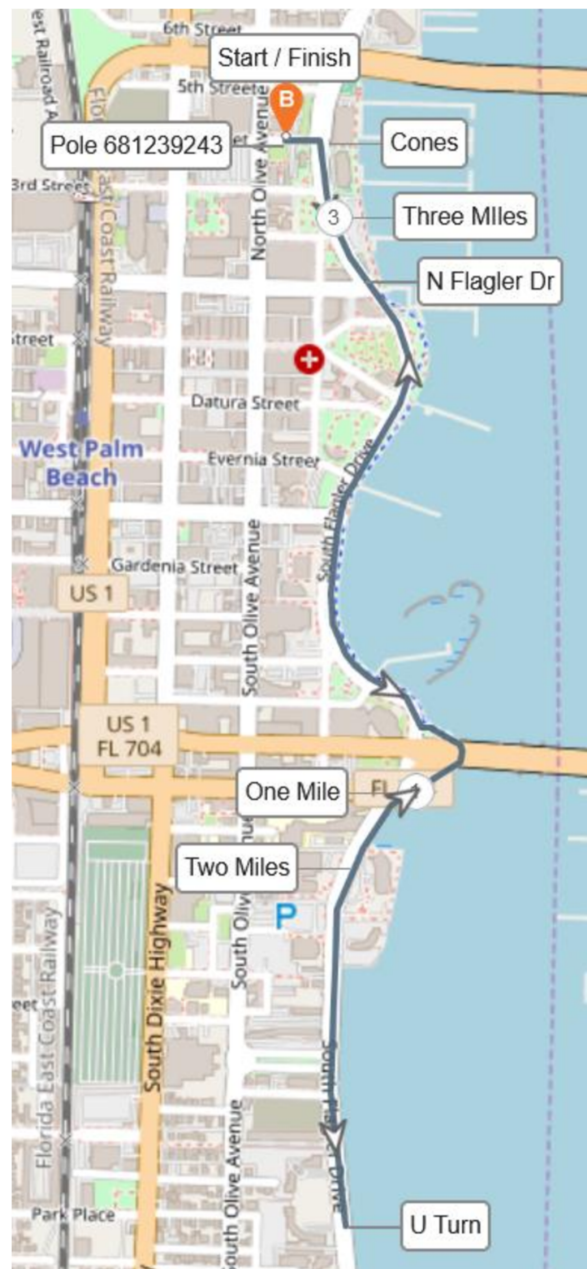

START / FINISH: On 4th St between N Olive Ave and S Flagler Dr, toward the east side of the Fifth Third Bank building exactly even with cement pole # 681239243 located on the south side of 4th St

1 MILE: South of where Lakeview Ave crosses the Royal Palms Bridge, on the walkway, west of where there are two reserved parking spaces for the bridge operator, there are two manhole covers and 11'0" SW of unnumbered light pole.

U-Turn: Across from the south driveway of 1801 S Flagler Dr, high rise known as Rapallo South, 11 inches south of the north edge of sewer grate on the east side of S Flagler Dr.

2 MILES: At 1100 S Flagler Dr, south of the exit driveway on the north side of the building, 6 inches north of cement pole 832124.

3 MILES: South of the south driveway to 400 S Flagler Dr, Waterview Condos, 14'6" south of light pole 844H01
