 chris@sub5racing.com

Runners start by going southwest & following the trail until the turn around point noted here. RD needs to provide a course marshal at the turn around point & a line of cones along the course where runners will be going in both directions. Runners need to run on the right side of the trail where there is 2 way runner traffic.

Turn Around Point: On the north side of the highway bridge. 35' 4" south of the beam where the bridge starts & 236' 3" north of the "2 1/4 mile" sign. Marked with P-K nail and white paint

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year 2026
