

Lifetime Fitness Torchlight 5k
Minneapolis, Minnesota
New course first run Wednesday, July 23, 2003

Course: Start near the Basilica on the I-94 approach to Hennepin Avenue, angle right on Hennepin, right on 3rd Street, right on Portland Ave, right on 4th Street, left on Marquette, angle right on Grant St, right on Willow St, finish just short of Yale Pl. On Marquette Ave, runners are restricted to the bus and bike lanes, which are on the NW side of the road. A cone is required at the junction of 4th and Marquette, see Mile 2 below.

Measured Points:

- Start** Start mark is along the median between the SW-bound and NE-bound lanes of Hennepin Ave, 6 ft 6" (2 m) NE of storm grate which is 31 feet (9.4 m) NE of the 17th street crosswalk. See map detail.
- Mile 1** Marked on SE side of Hennepin at "To West 94" sign 30 feet (9 m) NE of 3rd light pole NE of 4th St. Not to be confused with "West 94" sign which is a few feet farther NE.
- Mile 2** In the intersection of 4th & Marquette, between two manhole covers both labeled "Communications." The covers are about 18 inches (0.5 m) apart and located where these two perpendicular lines cross: (1) a line even with the SW curb of 4th Street, and (2) the center of the Marquette Ave bike lane. A cone is also required at this same point, to restrict runners to the bus and bike lanes on Marquette Ave. Runners coming NW on 4th must go north of the cone, then turn left to go SW on Marquette.
- Mile 3** Adjacent a manhole cover near the curb on the N side of Grant, about 59 ft (18 m) E of Stop sign for traffic westbound on Grant to enter Willow.
- Finish** 50 ft (15.2 m) SE of Stop sign for traffic NW-bound on Willow to enter Yale.

All points are marked by 3" yellow painted dots on pavement and side of curb, with designation symbol such as "3" (3 mile), "S" (start), "F" (finish).

Map is not to scale. Road has more curves and intersections than shown. Course was measured along the shortest route that a runner could take while staying on the road.

Measured April 27, 2003 by Don Wright, 651/770-3728.
