

UCC Unity 5k Race, July 12, 2003
 Measured June 29, 2003, Don Wright, 651/770-3728

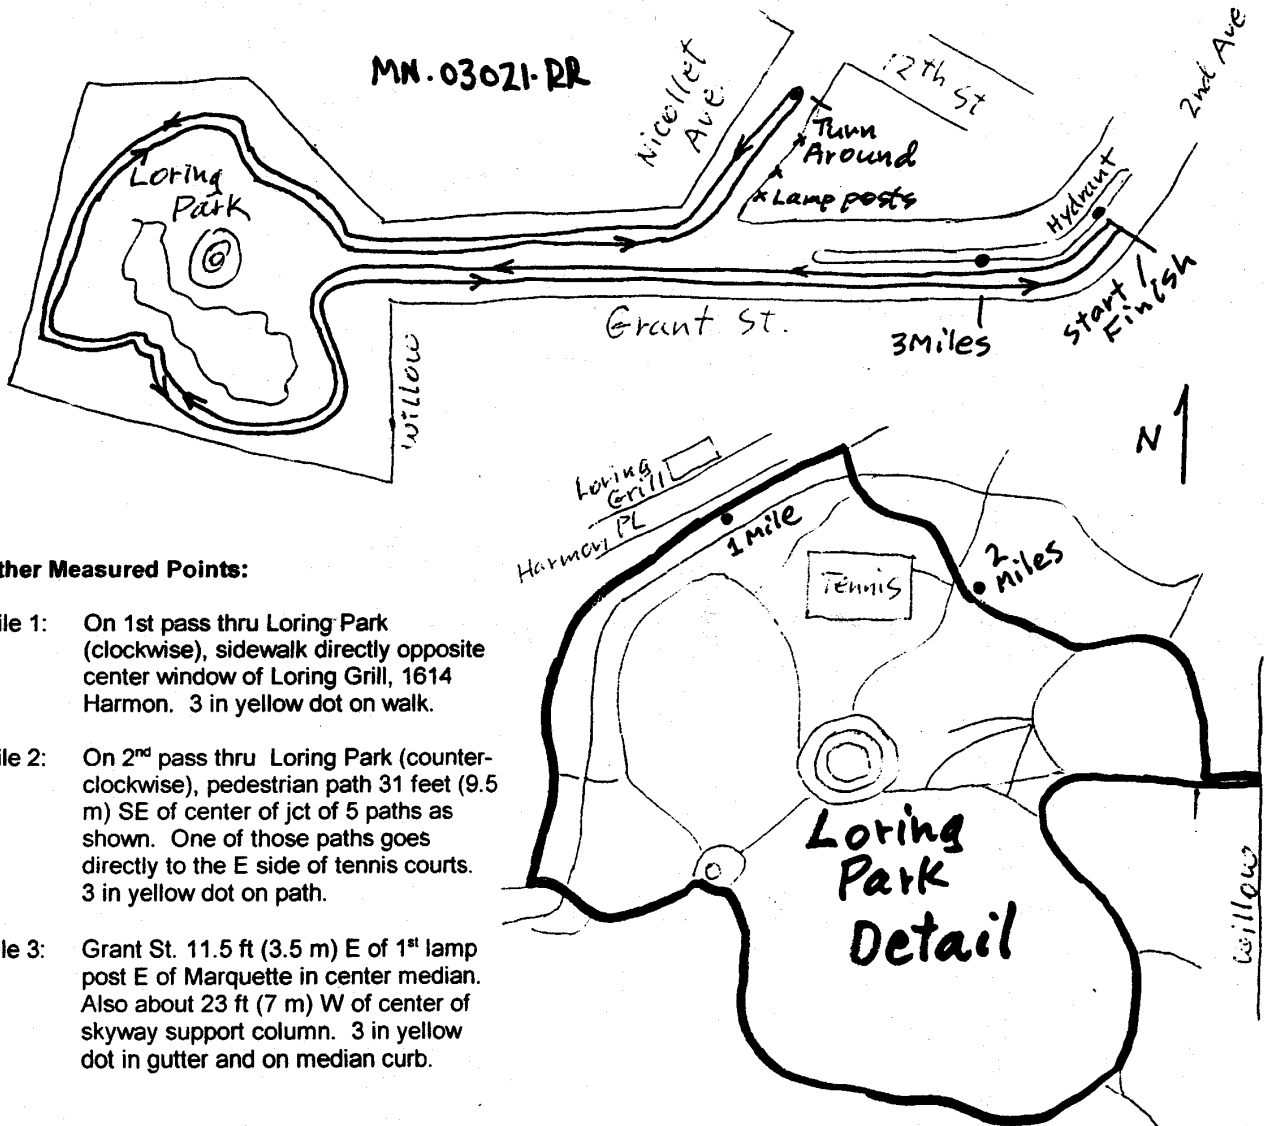

Course:

Begin at the hydrant outside the Minneapolis Convention Center Entrance Number 1 eastbound / northeastbound lane. Using the eastbound / northeastbound lane, go southwest and then west. After Marquette, go west using all of Grant, cross Willow, and immediately enter Loring Park. Circle Loring Park clockwise, exit again across Willow to go east on Grant, turn left (north) on Nicollet Avenue past 13th St, turn around and follow exactly the same path backward to the start/finish point, this time circling Loring Park counter-clockwise.

Map is not to scale. Roads have more intersections than shown. Course was measured along the shortest route that a runner could take while staying on pavement. Cones are not required to restrict the course to the correct length, but cones and volunteers may be required to keep runners on the correct paths in Loring Park.

Start/finish: Centerline of the fire hydrant located in the median across from Convention Center Entrance # 1. Marked by a pre-existing blue line on the southwest-facing curb of the median.

Turnaround: Crack in Nicollet Mall pavement 10 feet (3 m) N of 3rd lamp post N of 13th on E side of Nicollet. 3 in yellow dot E side in gutter and on curb.

Other Measured Points:

- Mile 1: On 1st pass thru Loring Park (clockwise), sidewalk directly opposite center window of Loring Grill, 1614 Harmon. 3 in yellow dot on walk.
- Mile 2: On 2nd pass thru Loring Park (counter-clockwise), pedestrian path 31 feet (9.5 m) SE of center of jct of 5 paths as shown. One of those paths goes directly to the E side of tennis courts. 3 in yellow dot on path.
- Mile 3: Grant St. 11.5 ft (3.5 m) E of 1st lamp post E of Marquette in center median. Also about 23 ft (7 m) W of center of skyway support column. 3 in yellow dot in gutter and on median curb.
