

Cat Scratch Fever 5K

New London-Spicer High School, New London, MN

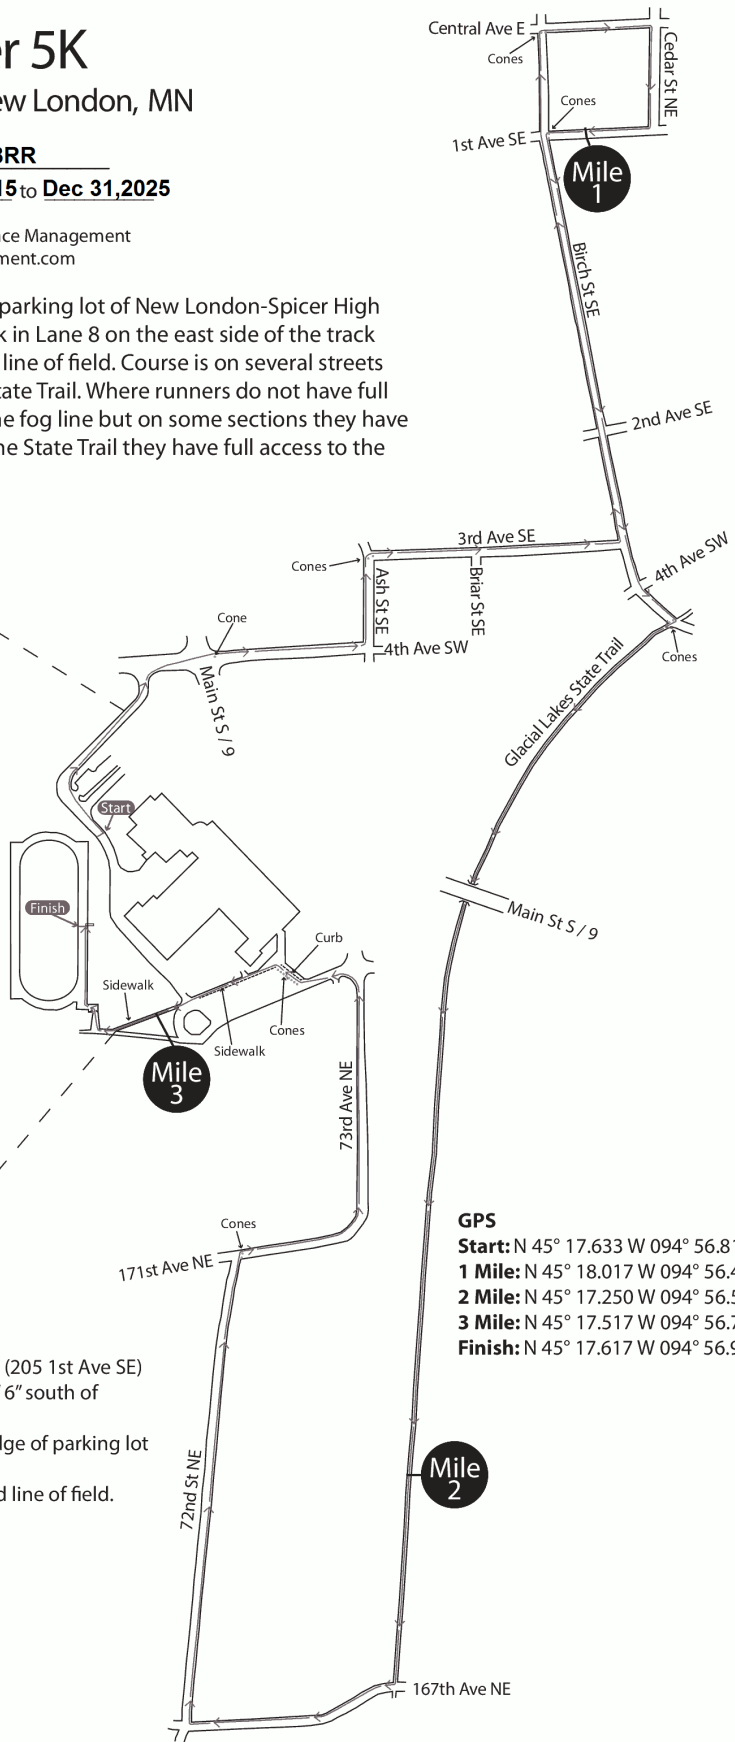

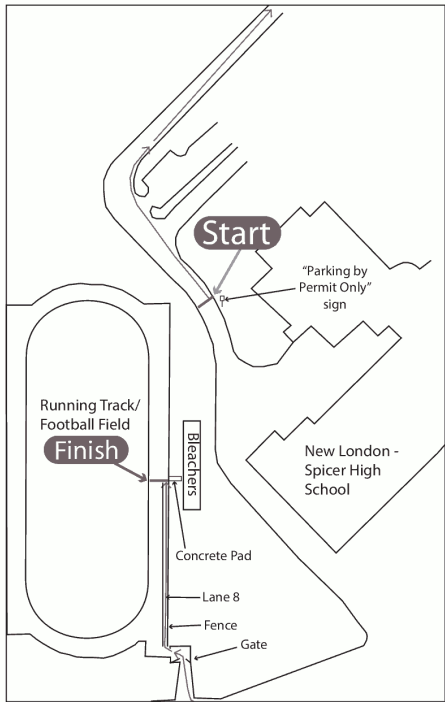

USATF Certificate: MN 15018RR

Certificate Effective From **Apr 23, 2015** to **Dec 31, 2025**

Measurement and Map by Mark Kuhn/UpTempo Race Management
April 8th 2015 - www.uptemporacemangement.com

Course is to scale. Course starts in the northwestern parking lot of New London-Spicer High School and the Finish line is on the High School track in Lane 8 on the east side of the track next to the concrete pad at gate nearest the 50 yard line of field. Course is on several streets throughout New London and on the Glacial Lakes State Trail. Where runners do not have full access to the roads they are restricted by cones or the fog line but on some sections they have full access to the shortest route. When running on the State Trail they have full access to the the shortest route.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2025**
