

St Jude Memphis Marathon Route Map

Notes:
 -Measured shortest possible route except that on Riverside Dr, Danny Thomas Blvd and North Parkway the runners have 2+ lanes each way separated by a curved center median. Runners restricted to the north and west curb lanes on Poplar and East Parkway respectively. Comes required on the center stripes of North Parkway and Danny Thomas Blvd from the Control Turns each way to where the center medians start.
 -All measurements are to the nearest edge or face of curb unless otherwise noted.
 -Measured 5/27/2018 by Rob Hunter
 robhunter33@comcast.net 901-246-1565 and Lane Purser.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2028**
