FINE GRAVEL PATH
CONES AND SIGNAGE
WILL HELP MAKE SURE
RUNNERS KNOW & FOLLOW
COURSE.

Total loop distance = 1.178 miles

Start/Finish: No PK Nail set, since course is entirely crushed gravel. Due to the loop nature of the course, the race director is at liberty to move the start/finish as needed. However, in case of any record establishment, it will be important to clearly establish the race start position and measure in an official manner any partial loop completed by prospective record breaking runner. No restrictions on course width. Race director will place cones to ensure runners stick to designated course.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year
