

Perham Turtlefest 10 K

The start is on 450th Street. It is marked by a PK nail 2 feet 5 inches East of power pole # 10.

The first turnaround is in the middle of 445th Avenue. It is 16 inches North of an electric phone box. From 16 inches North of this box look East to a tall pine tree North of a house and South of a white pole. The turnaround is in this line of sight. There is a PK nail on each side of the street with the turnaround between them.

The second turnaround is in the middle of 455th Avenue just South of its intersection with hwy 8. There is a yellow gas pipeline post on the East side of the road and another such post on the West side of the road. The turnaround is 5 feet North of a line between these two yellow gas pipeline posts. Make a small mark between these yellow posts and measure 5 feet North of it.

The finish is on the bicycle trail South of the entrance to Paul Miller Park from hwy 51. It is 86 feet South of where the bike trail goes East into the park. A survey marker is at the edge of the bicycle path at the finish. It is on the West side of the bicycle path and has a 1.5 inch diameter brass head.
