

Turtlefest 10 K

Perham, MN

MN 09029-2R

The first turnaround is in the middle of 445th Avenue. It is 7 feet North of an electric phone box. The turnaround is marked by PK nails in both sides of the street with the turnaround between them.

The second turnaround is in the middle of 455 Avenue just South of its intersection with county hwy 8. There is a yellow gas pipeline post on both sides of the road. The turnaround is 5 feet north of a line between these two yellow gas pipeline posts. Make a small mark between these two posts and measure 5 feet North of it.

The start is on 450th Street at the Speed Limit 30 sign and marked by a PK nail. The start is about 390 ft west of 445th Avenue and between posts 13 and 14.

The finish is marked by a PK nail and is 59 ft 6 inches from a red well. The finish is about 299 ft from the east end of the bicycle trail measured on the bicycle trail.

Measured by Dale Summers (dalesummers@mac.com) on May 29, 2009.

Notice to Race Director
Use this Certification Code in *all* public
announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Validation of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a validation remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2019**
