Restrictions

Runners are allowed full access to all road surfaces.
 Restriction of the route on Lake St to a single E-bound lane closest to the lake does not change the length of the course, as this lane contains the shortest path.
 Traffic Islands at the corner of (1) W Calhoun Pkwy and E Calhoun Pkwy and (2) E Calhoun Pkwy and Lake St can be navigated by the runner in any way, or conversely, the race setup can restrict the course there, as this only makes the course slightly longer.
