

Crouse 5-K Challenge

DISTANCE: 5-K

RACE DIRECTOR: Jennifer Gernatt

MEASURED March 25, 2004

BY: Bob Laskowski

- Erie Basin Marina 1000 feet calibration course used.
- Runners have access to one side of the road with cars parked.
- Note: Approx. the first 2.5 miles of the race will be run on left side of the street (facing traffic). Runners will switch to the right side of the street (with traffic) after crossing Palmer St. from Townsend Ave. Cones are required to separate the road for runners and traffic.
- All reference points marked with 2" PK (Parker-Kalon) nails, then sprayed With orange fluorescent paint.

Start: In driveway of American Legion Post #409 (Legion Drive), 73'-1" South of utility pole NSEG 1561#3 and 50'-2" North of utility pole NYSEG 1561#4.

- 1- Mile: On Palmer St. Just before the old Glue Factory 6'-3" North of drainage grate and 47'-0" North of fire hydrant #56.
- 2- Mile: On Miller St. 3'-3" South of fire hydrant and in front of 129 Miller St.
- 3- Mile: In driveway of American Legion #409 (Legion Drive), 15'-1" North of fire hydrant and 32'-0" North of utility pole.

Finish: In driveway of American Legion Post #409 (Legion Drive) directly in line with White pillars next to Legion building and 36'-9" South of utility pole NYSEG 1561#5.
