Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2025**

Freedom Challenge 2015 Course Description

The race course is located in Fairview, PA and is a loop course that starts and ends at Walnut Creek Baptist Church at 6015 West Ridge Road, Fairview, PA. Ample parking is available at the church and the neighboring Fortis Institute (5757 West Ridge Road).

Participants will start in the church parking lot and run north to Rt 20 and turn right (east) to Millfair Rd. Then run south on Millfair Rd to Swanville Rd where the course turns right (west). The next turn will be a left (south) onto Culpepper Dr, continuing on to a T-intersection at Millfair Rd. Runners will turn right (south) and proceed to Sunrise Circle and run the semicircle in the counter clockwise direction back to Millfair Rd. Turning right (south) to continue on Millfair Rd to Bridlewood Dr where they will run that semicircle clockwise returning to Millfair Rd. A left (north) turn on Millfair Rd will bring the participants back down to Heidler Rd where they will take a left (west) turn onto Heidler.

Participants will turn right (north) off Heidler Rd onto Bear Creek Rd. Bear Creek will return to Rt 20 where participants will make a right turn (east) and proceed back to the church where they will turn right (south) into the church parking lot and onto the finish line.

Marshals and safety cones will, at a minimum, need to be placed at the following intersections to either direct runners, cross runners or control traffic:

Church drive and Rt 20, Rt 20 and Millfair Rd, Millfair Rd and Swanville Rd, Swanville Rd and Culpepper Dr, Culpepper Dr and Millfair Rd, Millfair Rd and Sunrise Circle, Sunrise Circle returning to Millfair Rd, Millfair Rd and Heidler Rd, Millfair Rd and Bridlewood Dr, Bridlewood Dr returning to Millfair Rd, Heidler Rd and Bear Creek Rd, Bear Creek Rd and Water St, Bear Creek Rd and Rt 20 and Rt 20 and Swanville Rd.

Participants will be instructed and restricted (cones and marshals) to running in the left lane at all times with these exceptions:

- 1 Both portions of the course on Rt 20 will be run in the right lane and will be coned for runners safety.
- 2 Millfair between Rt 20 and Swanville Rd will be run in the right lane because of its short duration and the elimination of two runner road crossings (two consecutive right turns).
- 3 The three semi-circles (Culpepper Dr, Sunrise Circle and Bridlewood Dr) will be run on the roadway with no lane restrictions.
