

Freedom Run 2 Mile, Farragut, TN

Measured by Ronald Fuller ronaldfuller@att.net (865-300-3473) June 5, 2016

Start line is located on South Campbell Station Road. Start line is specifically located in the north bound lanes on an imaginary line perpendicular to South Campbell Station Road and 119 ft 8 in north of the north end of the first storm drain on the east side of South Campbell Station Road north of the South Campbell Station Road/Brockhaven St intersection. Course heads north on South Campbell Station Road to a right hand turn onto Kingston Pike. Course then follows Kingston Pike east to the turn around point. The turn around point is specifically located in the middle of Kingston Pike on an imaginary line perpendicular to Kingston Pike at the east end of the bridge on Kingston Pike west of the Kingston Pike/West End Ave/Concord Road intersection. Runners will run counter clockwise around the turn around point and head west on Kingston Pike to a right hand turn at the Kingston Pike/Federal Blvd intersection. Course makes an immediate right hand turn into the commuter parking lot to the finish line on the south side of the parking lot. Finish line is specifically located on an imaginary line perpendicular to Kingston Pike that bisects the flag pole on the south side of the parking lot and is located 14 ft 11 inches east of the east side of the light pole base on the north side of the parking lot entrance. **Maps are not drawn to scale. In all turns, runners will take the shortest route possible.**

in **all** public announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2026**
