

USATF Certificate VA13070RT

Effective Mar 26, 2019 to Dec 31, 2023

Measured for certification by Molly Bullington on 10/21/2013, 10/22/2013, 10/24/2013, 11/6/2013, 11/7/2013, 11/19/2015, 12/11/2015, and 3/14/2019

- Notes:**
- Runners shall be restricted by cones at the following locations:
 - Blue Ridge Parkway - Runners may only run in Southbound lane.
 - Avenham Avenue - Runner may only run in Southbound Parking lane.
 - Main Street - Runners must run in the Northbound bike lane while running South, and in the Southbound bike lane while running North.
 - Elm Avenue - Runners must run in the outside Westbound travel lane.
 - Placement of cones shall be 7' from the face of curb, with the exception of the Blue Ridge Parkway, which shall be just to the East of the centerline.
 - With the exception of locations noted in (1) above, all course measurements were taken as if runners are free to use the entire roadway. Race director may restrict runners to any parts or sides of the roads as mapped for safety reasons.

 Effective date of certification: March 26, 2019 Certification code: VA13070RT

Notice to Race Director: Use this Certification Code in **all** public announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If **any** changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2023**
