in all public announcements relating to your race.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course --- In the event a National Open Record is set on the course, or at the discretion of USA Track & Field, a verification measurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 of the year: **2024**

USATF Certificate

TN14301MS
Effective: 08/25/2021
Through: 12/31/2024

This course was measured using the Shortest Possible Route in keeping with public safety route mandates.

Course Restrictions:

At Start of race, runners may use both southbound lanes of MLK to State Street. All following restrictions must be coned and marshalled on race day:

1. On State Street, runners must pass south of Control Point 1 at 7th St.
2. On Piedmont, runners may only use the northbound lanes.
3. Runners must pass south of Control Point 2 transitioning from Chester to Oakview.
4. From Oakview to State, runners may only use far west lane of MLK.
5. Runners must pass west of Control Point 3 at State and MLK.

Certification becomes invalid if either Piedmont or MLK is repaved or repainted.
