## ***Be It Officially Noted That***

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

**Verification of Course ---** In the event a National Open Record is set on the course, or at the discretion of USA Track & Field, a verification measurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

***This certification expires on December 31 of the year:*** **2033**

**AS NATIONALLY CERTIFIED BY:**

Date: October 3, 2023

Matthew Studholme - USATF/RRTC Certifier - 813 Barton Ave, Chattanooga TN 37405

Run LoCo Half Marathon (Lenoir City, TN)  
Measured 8/20/2023 using the full width of the road and the shortest possible route (SPR), except where noted.

ethan.coffey@gmail.com 412-965-0699

START is at Tellico Dam Parking Area on the north side of the access road to the main parking lot, in line with the line created by the edge of the asphalt and the grass.

- Leave the parking area and turn left on the access road and left on the road to Tellico Pkwy.
- Cross Tellico Pkwy and stay straight onto the bike path/shoulder on the west side of Route 321.
- Stay on the bike path/shoulder of Route 321 to Route 11/Lee Hwy/Broadway. Turn left, staying in the southernmost traffic lane of Broadway.
- Turnaround 1 is 11,10' east of the transition from brick pavers to concrete east of the intersection of A St and Broadway.
- Return to Pike St, staying in the southernmost traffic lane of Broadway.
- After entering intersection with Pike St, turn left, crossing all lanes of Broadway, and stay straight onto greenway.
- Stay on greenway to parking lot where greenway exits at Wilson St.
- Turn right on Wilson St and right on Panther Dr.
- Turn left through gate and merge onto track. Follow track counterclockwise.
- Exit far side of the track and stay straight through the parking lot.
- Turn left on Harrison Ave and right on Town Creek Pkwy, staying in easternmost traffic lane.
- Turnaround 2 is the northern edge of the storm drain south of the intersection of Town Creek Pkwy and Town Creek Rd.
- Return in easternmost traffic lane of Town Creek Pkwy.
- After entering intersection with Cotton Mill Blvd, turn right on Cotton Mill Blvd, staying right of the median.
- Turnaround 3 is the northern edge of the manhole cover at the north side of Cotton Mill Blvd (before Adesa Pkwy).
- Return to Town Creek Pkwy staying right of the median and cross Town Creek Pkwy. Turn right, staying in easternmost traffic lane of Town Creek Pkwy.
- Return to the track and follow track counterclockwise. Exit opposite side of the track through the gate.
- Return to the greenway and to Broadway/Pike St.
- Cross Broadway in the Pike St intersection and turn left, staying in the southernmost traffic lane of Broadway.
- Return to the Tellico Dam Parking Area, staying in the bike path/shoulder on the west side of Route 321.
- At the first parking lot on the north side of the Tellico Dam access road, merge onto the dam path.
- Continue on the dam path toward Tellico Dam. Turnaround 4 is the last survey monument on the path before the dam.
- Return to the parking lot at the end of the dam path, turn right on the access road, and right to the finish.
- FINISH is the same as START.
