Type of surface: Paved 6 % Dirt 94 % Gravel 0 % Grass 0 % Track 0 %

Effective date of certification: August 3, 2025 Certification code: PA24006DNB

Note to Race Director: Use this Certification Code  
in all public announcements relating to your race.

**Be It Officially Noted That**

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

**Verification of Course** --- In the event a National Open Record is set on the course, or at the discretion of USA Track & Field, a verification measurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

**This certification expires on December 31 of the year:** **2034**

**AS NATIONALLY CERTIFIED BY:**

Date: August 26, 2025

## Wicked Fast Marathon Poconos (94% unpaved)

Lehigh, PA  
42.195 km

**About the course:** Runners access the D&L Trail (red line on map) at the Rockport trailhead in Lehigh Gorge State Park (Weatherly, PA) and walk NE about 0.4 miles (passing Mile Marker 121) to the start line. Run NE approximately 3.122 miles (past MM124) to the third backboard at post 124.4. Turn counterclockwise and run past the start, continuing S past Jim Thorpe (MM106) to Weissport (MM102). The course turns briefly onto city streets before rejoining the trail across the Lehigh River in Lehighton and continuing to the finish.

The trail is hard-packed dirt and cinders, with the exception of approximately 1.6 miles total of pavement: through the Glen Onoko trailhead parking lot, along the Lehigh River in Jim Thorpe, and between the Weissport trailhead and the finish line in Lehighton.

Mile splits are not given; kilometer splits are for reference only. Trail has mile markers (MM). No nails were possible, so S/F/TA are not marked. See descriptions.

This course was measured using the full width of the trail and roads, and the shortest possible route.

**USATF Certificate**
